CITY INSIGHT: YOUR CITY GOVERNMENT

The City of Dunwoody is committed to providing the highest quality services to the citizens of our community.

In an effort to sustain our service levels, strive for excellence, and push for continued improvement, the city developed Key Performance Indicators for each department and government service contract. The data included in this insert is a highlight of some of those performance and workload measures and is designed as a window into the activity levels in City Hall for the first six months of 2014.

If you're interested in learning more, checkout the City's website – dunwoodyga.gov and look under the City Manager's page.
